

## BRAND AMBASSADOR FORM

We are so excited that you would like to be one of our Brand Ambassadors! Our process is quite simplistic. Let's read the below qualifications:

First, you need to be at least 18 years of age or older and/or be a legal parent or guardian of the minor child.

Second, you need to be willing and able to have photos and/or videos taken of you or your child using the product we send to you. These photos and videos can be taken by you or a friend or a family member (does not need to be professionally done).

Third, you must be willing and able to share these photos and/or videos with us within 15 days of receiving the product.

Fourth, you must be willing to return the product if we request it back with the return label/postage we provide for you on the day we schedule the UPS pickup.

Fifth, you must agree and sign our Media Release Form, consenting to us using your photos and/or videos within our marketing channels.

Lastly, you must enjoy getting the opportunity to try out new and innovative medically related products for the world to see and the possibility of keeping the product you demo!

This is what you get:

- 1) For each product used in a demonstration, you will receive a \$35 voucher towards a future purchase. You may choose to accumulate up to 6 vouchers within a 2 year time period that can be used for a large single purchase. Or use the \$35 as you go!
- 2) Your vouchers can be transferred to a friend, family member, or non-profit organization simply by letting us know before their expiration dates.
- 3) You get to make a lasting impact on other individuals needing the products we offer. With your photos and/or videos, future customers will be able to make a more educated decision on what might or might not work for them.
